New Roman Discoveries Under Emonika

🕒 24 Feb - 31 Mar 2025

Archaeological excavations ahead of the construction of the Emonika multi-purpose complex took place in the spring and summer of 2024. They uncovered previously unexplored sections of the northern cemetery of Emona, a side road leading east from the main road, and traces of the land division in Emona, which had not been discovered despite extensive research efforts.
